

Protecting Alameda County Creeks, Wetlands & the Bay

2020 Community Stewardship Grants

The **Alameda Countywide Clean Water Program** is inviting grant applications for up to \$5,000 to encourage grassroots community action that prevents stormwater pollution and enhances the health of local watersheds, creeks, and the San Francisco Bay.

WHO CAN APPLY?

- Teachers and Student Groups
- Youth Organizations
- Community Groups
- Homeowner associations
- Non-Profit Organizations
- Environmental Groups

PROJECTS ELIGIBLE FOR FUNDING

Projects must be located in Alameda County or within an Alameda County watershed, aimed at stormwater pollution prevention and contain a community/public outreach element. Examples:

- ◆ Litter reduction projects
- ◆ Outreach and education projects addressing litter reduction, household hazardous waste disposal, integrated pest management, etc.
- ◆ Development and distribution of outreach materials, e.g. videos, brochures, events, etc.
- ◆ Public art projects
- ◆ Creekside restoration/re-vegetation projects, creek cleanups and enhancement projects
- ◆ Stormwater detention projects such as rain gardens, cisterns and bioretention areas
- ◆ Wildlife habitat enhancement projects

HOW TO APPLY

For past projects and to download the application packet visit www.cleanwaterprogram.org/grants
Questions? Contact Jim Scanlin at jims@acpwa.org or (510) 670-6548

Applications must be submitted by 2:00PM via email on April 22, 2020
